SLD Eligibility Summary Page Examples

To assist your IEP team in ensuring that you accurately complete the SLD Eligibility Summary Page, the Ventura County PSW committee has drafted sample SLD pages given the following scenarios:

Kenna: Eligible under the PSW model

Mary: Not eligible because all academics are average

Eduardo: Not eligible because he does not exhibit a pattern of strengths in the average range

Jayden: Not eligible because he does not exhibit a processing deficit

Laura: Not eligible because her processing problem doesn't explain her academic problems (no research-based link).

Kevin: Not eligible due to an exclusionary factor (achievement testing shows low reading but achieving adequately in general education)
